# What You Should Know About The New Medicare Cards

Your new card will have a Medicare Number instead of your Social Security Number.

The new card with your new Medicare numbers will not change your benefits.

When you get your new Medicare card, you can start using it right away.

Destroy your old Medicare card after you get your new one.

The new card will be easy to read and the size of a credit card.

Find the words below in the puzzle. Circle the word when you find it. The words can go across, up and down, diagonal or backwards. Have Fun!!
