

End of Life Planning

Resources and Guidance

Legal/Ethical

Legal/Ethical Sub-Committee Comments

The Legal/Ethical Sub-Committee...

- Acknowledges that when an individual with Intellectual/Developmental Disabilities (I/DD) is at the end of his/her life, events can be overwhelming to all involved: the individual, families, provider agencies, support coordinators and healthcare professionals. The legal/ethical information provided is not intended to replace legal advice but to provide tools and information regarding how to make End of Life decisions.
